Dear Matthew and Rebecca,

Re: Manly Council Staff Charitable Fundraising Committee

Manly Council Staff have enjoyed fundraising for the Princess Charlotte Alopecia Foundation and assisting the Foundation in producing the brochures for the Tresses for Princesses initiative.

The Committee recently gave a presentation at a Key Staff Meeting, updating staff on how the Staff Charitable Fundraising Committee (SCFC) has supported the Princess Charlotte Alopecia Foundation. The presentation was well received by staff, with a number of people suggesting and recommending that they would like to continue to support the Princess Charlotte Alopecia Foundation over the coming financial years.

The Staff Charitable Fundraising Committee held a meeting recently and have formally endorsed the recommendation from staff. The SCFC would like to continue supporting the Princess Charlotte Alopecia Foundation until June 2011.

The Committee would welcome any ideas on how they can continue to support the Princess Charlotte Alopecia Foundation in this coming year.

Please contact Louise McMorland on 02.9976 1731 or louise.mcmorland@manly.nsw.gov.au to discuss your organisations ongoing inclusion in the Staff Charitable Fundraising Committee.

We will be in contact with you shortly, to arrange the best way to give the Foundation the cheque for funds raised in this financial year.

Yours faithfully,

Stephen Clements
Staff Charitable Fundraising Committee Chairperson
